Attention: Jack Stamper, Regulatory Manager
Transmission Services

Reference: Filing in Compliance with Order No. 2003-B

Dear Mr. Stamper:

On February 3, 2005, PacifiCorp submitted for filing revised tariff sheets to be incorporated into their Open Access Transmission Tariff in compliance with the Commission's Order No. 2003-B, *Standardization of Generator Interconnection Agreements and Procedures*.¹ Specifically, the instant revised tariff sheets incorporate the changes to the Large Generator Interconnection Procedures (LGIP) and Large Generator Interconnection Agreement (LGIA) as required by the Commission in Order No. 2003-B. Order No. 2003-B required a non-independent transmission provider that had already complied with Order No. 2003 and Order No. 2003-A to amend its OATT by submitting revised tariff sheets incorporating the changes contained in Order No. 2003-B within sixty (60) days after the issuance of Order No. 2003-B. Our review of your filing indicates that PacifiCorp has satisfactorily complied with Order No. 2003-B. Accordingly, the revised tariff sheets are accepted for filing effective January 19, 2005, consistent with the effective date established in Order No. 2003-B. The rate schedule designations included in your submittal are correct.
