Docket No. ER05-537-001

MOTION OF PACIFICORP FOR EXTENSION OF TIME

Pursuant to Rules 212 and 2008 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission ("Commission"), 18 C.F.R. §§ 385.212 & 385.2008 (2004), PacifiCorp hereby respectfully requests a 30-day extension of time to submit its compliance filing in accordance with the Commission's March 15, 2005 letter order in the above-referenced proceeding.¹

I. BACKGROUND

On February 2, 2005, PacifiCorp submitted for filing an amendment to its existing AC Intertie Agreement ("Agreement") with Bonneville Power Administration ("Bonneville").² As the Commission stated in the Letter Order, the amended Agreement provides for Bonneville's use of PacifiCorp's 500/230 kV transformer at the Malin Substation at a use-of-facilities charge. PacifiCorp also submitted the original Agreement, as well as Amendment Nos. 1 and 2, as required by the Commission's Order No. 614.³

¹ Docket No. ER05-537-000, Letter Order, Mar. 15, 2005 ("Letter Order").

² The Agreement is designated as PacifiCorp's Rate Schedule FERC No. 368.

³ *Designation of Electric Rate Schedule Sheets*, Order No. 614, FERC Stats. & Regs. [Regs. Preambles 1996-2000] ¶ 31,096 (2000).

In its March 15, 2005 Letter Order, the Commission accepted for filing PacifiCorp's filing. The Commission also stated, however, that the amended Agreement did not comply with the requirements of Order No. 614 and, therefore, instructed PacifiCorp to submit within 30 days a complete and up-to-date Rate Schedule No. 368 with all superseded language removed.

II. MOTION FOR EXTENSION OF TIME

PacifiCorp respectfully requests that the Commission grant it a short extension of time to comply with the requirements of the Letter Order. PacifiCorp has been working diligently with Bonneville to enter into an Amended and Restated AC Intertie Agreement. However, PacifiCorp does not expect to be able to execute that new agreement until May 2005. In light of those efforts, PacifiCorp respectfully requests a limited extension of 30 days to comply with the Commission's directive in the Letter Order that it refile Rate Schedule No. 368 in accordance with the requirements of Order No. 614.
