Reference: Revised Tariff Sheets

Dear Mr. Stamper:

On February 25, 2005, PacifiCorp filed amended tariff sheets to conform its Open Access Transmission Tariff (OATT) to the Commission's pro forma OATT. Specifically, PacifiCorp states that the revised tariff sheets remove previous changes to section 17.7 of its OATT which differ from the Commission's pro forma OATT. Waiver of the Commission's notice requirements pursuant to section 35.11 of the Commission's rules and regulations (18 C.F.R. § 35.11) is granted and the revised tariff sheets are accepted for filing effective February 28, 2005, as requested. The rate schedule designations included in your filing are correct.

This filing was noticed on March 1, 2005, with comments, protests, or motions to intervene due on or before March 18, 2005. No comments or protests were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 211 and Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R § 385.211 and § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rates or services provided for in the filed documents; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PacifiCorp.
