P.S.C. Wyoming No. 10

Three-Phase Residential Service Rider Schedule 18

Monthly Billing *(continued)*

Minimum Charge *(continued)*

Higher minimums may be required under contract to cover special conditions.

Demand

Applicable only to Customer's three-phase Demand. The kW as shown by or computed from the readings of Company's Demand meter, for the 15-minute period of Customer's greatest use during the month, determined to the nearest whole kW.

Continuing Service

Except as specifically provided otherwise, this Schedule is based on continuing service at each service location. Disconnect and reconnect transactions are subject to the provisions set forth in Rule 3, Section VI of this tariff.

Special Conditions

Customer shall arrange wiring to allow the separate metering of the three-phase Demand at a location adjacent to the kWh meter.

Rules

Service under this Schedule is subject to the General Rules contained in the tariff of which this Schedule is a part, and to those prescribed by regulatory authorities.
