

Street Lighting Service Company-Owned System Schedule 57

Not Applicable in
Wyoming West Service Territory

Available

In all territory served by the Company in the State of Wyoming except the Wyoming West Service Territory as defined on Sheet No. B-11.

Applicable

To Municipal Customers for service furnished for lighting public streets, highways, and alleys under conditions, and for sizes and types of street lights, not specified on other Schedules of this tariff. All street lights installed on and after December 28, 1979, shall use high-pressure sodium vapor luminaires. Service under this Schedule is provided only through Company-owned installations.

Monthly Billing

All Monthly Billings shall be adjusted in accordance with Schedule 94. For systems owned, operated and maintained by Company, a flat rate equal to one-twelfth of Company's estimated annual costs for operation, maintenance, fixed charges and depreciation applicable to the street lighting system, including Energy Charges as follows.

For dusk to dawn operation: 8.145¢ per kWh

For dusk to midnight operation: 9.173¢ per kWh

Special Conditions

The Customer may request temporary suspension of power for lighting by written notice. During such periods, the Monthly Billing will be reduced by Company's estimated average monthly relamping and energy costs.

Term of Contract

Company may require the Customer to sign a written contract with a minimum term of:

Five years for Overhead Service.

Ten years for Underground Service.

Rules

Service under this Schedule is subject to the General Rules contained in the tariff of which this Schedule is a part, and to those prescribed by regulatory authorities.

Issued by

Jeffrey K. Larsen, Vice President, Regulation

Issued: April 18, 2008
