

Let's turn the answers on.

Energy Efficiency Alliance Workshop

**Commercial, Industrial and Agriculture Sectors Workshop/Training for
Utah contractors, distributors, suppliers, engineers, and architects**

Join us for this important **free** energy efficiency workshop sponsored by Rocky Mountain Power's FinAnswer Express program. Attendance at this workshop provides an excellent opportunity for our **valued Energy Efficiency Alliance participants and interested vendors, contractors, service companies, architects and engineers** to learn about relevant support available through Rocky Mountain Power's energy efficiency programs and the benefits of the Energy Efficiency Alliance.

Rocky Mountain Power offers incentives and technical expertise for nearly every project that increases electric energy efficiency. This informational workshop will provide updates on incentive programs, recognize outstanding Energy Efficiency Alliance participants, and include technology-specific training and valuable networking opportunities with key distributors and suppliers of energy-efficient products.

Why You Should Participate:

- Electrical continuing education credits
- Attend educational and training seminars led by industry leaders
- Learn how incentive programs can increase your business
- Learn about updates on energy efficiency incentives in Utah
- Visit industry vendor exhibits/booths and network with Energy Efficiency Alliance participants
- Awards for top performing allies
- Win valuable door prizes
- Lunch will be provided

This year, we are offering our Energy Efficiency Alliance participants CEU credits for some of our technical training sessions along with customer business sales opportunities and education.

Please Join Us on Wednesday, February 22, 2012

7:30 a.m. – 4:00 p.m.

**South Towne Exposition Center
9575 S. State Street Sandy, Utah 84070**
