**RE: CASE NO. PAC-E-23-10 - PACIFICORP'S APPLICATION FOR
ACKNOWLEDGEMENT OF THE 2023 INTEGRATED RESOURCE PLAN**

Dear Ms. Noriyuki:

PacifiCorp (“Rocky Mountain Power” or the “Company”) hereby submits for filing PacifiCorp’s amended final 2023 Integrated Resource Plan (“2023 IRP”). The amended final 2023 IRP is also available electronically on PacifiCorp’s (“Company”) website, at www.pacificorp.com/irp. An original copy of PacifiCorp’s amended final 2023 IRP will be provided within a few days. The Company submits this amended final 2023 IRP to replace the preliminary version that was filed on March 31, 2023 and has been updated to reflect stakeholder feedback and additional development efforts.

The Company will provide the supporting workpapers for the analyses included in the amended final 2023 IRP on or around June 15, 2023, which will contain both non-confidential and confidential work papers.

Confidential information in the amended final 2023 IRP and workpapers will be available to state regulators and any party who has intervened in this case and signed a non-disclosure agreement. PacifiCorp requests that interested parties contact the state manager listed below for a copy of the non-disclosure agreement that must be executed and submitted prior to obtaining a copy of the confidential information.

Since the initial filing, PacifiCorp has made the following updates:

- Added supplemental sensitivity studies
- Correction to Portfolio 06 (P06) – no forward technology
- Restatement of present value revenue requirement (PVRR) based on model updates
- Addition of two user-requested studies

- Additional expected case medium natural gas price and medium CO₂ price assumptions (the “MM” price-policy scenario) studies evaluated under alternative price curve futures
- Expanded Appendix I
- Expanded Appendix J
- Addition of Appendix N – includes flexible hydrogen production analysis
- Expansion of narrative in response to stakeholder feedback

PacifiCorp respectfully requests the Commission acknowledge the amended final 2023 IRP in accordance with its rules and fully support the amended final 2023 IRP conclusions, including the proposed action plan.

All formal correspondence and Staff information requests regarding this matter should be addressed to:
