ELECTRIC SERVICE REGULATION NO. 1

STATE OF UTAH

General Provisions

1. The Company undertakes to furnish electric service subject to the rules of the Public Service Commission of Utah (P.S.C.U.) as supplemented by these Electric Service Regulations. These Regulations are designed to govern the supplying and receiving of electric service consistent with good operating practices and the Electric Service Schedules of the Company.
2. The P.S.C.U. adopted the Utah Residential Utility Service Rules, Utah Administrative Code R746-200, which became effective December 20, 1988. Pursuant to those rules, designated portions of these Electric Service Regulations apply only to residential electric service to consumers in single or multiple family dwellings. Such portions of these Electric Service Regulations will be designated as applying only to residential customers. Unless specifically stated otherwise, these portions of the Regulations do not apply to master-metered apartment dwellings. Commercial, industrial, government accounts and special contracts are expressly excluded from the requirements of these portions of the Regulations.
3. At the time that residential electric service is extended to an account holder the Company will provide the consumer with an up-to-date consumer information pamphlet approved by the Utah Public Service Commission, which clearly describes and summarizes the substance of the Utah Residential Utility Service Rules. The Company will mail or deliver a copy of this pamphlet, or a summarized version approved by the Commission to all residential customers annually. Copies of this pamphlet shall be prominently displayed in all business offices maintained by the Company and furnished to consumers upon request. The Company will make available upon request a Spanish edition of the consumer information pamphlet.

9. INFORMAL AND FORMAL REVIEW

(a) Informal Review

Any residential customer who is unable to resolve a dispute with the Company concerning a matter addressed in the Utah Residential Utility Service Rules may obtain informal review of the dispute by a designated employee within the Division of Public Utilities. Upon receipt of a request for informal review, the Division employee shall, within one business day, notify the utility that an informal complaint has been filed. Absent unusual circumstances, the Company shall attempt to resolve the complaint within five business days. In no circumstances shall the utility fail to respond to the informal complaint within five business days. The response shall advise the complainant and the Division employee regarding the results of the Company's investigation and a proposed solution to the dispute or provide a timetable to complete any investigation and propose a solution. The Company shall make reasonable efforts to complete any investigation and resolve the dispute within 30 calendar days. informal complaint. If, after 30 calendar days from the receipt of a request for informal review, the Division employee has received no information that the complainant has accepted a proposed solution or otherwise completely resolved the complaint with the utility, the complaint shall be presumed to be unresolved.

(b) Mediation

If the Company or the complainant determine that they cannot resolve the dispute by themselves, either of them may request that the Division attempt to mediate the dispute. When a mediation request is made, the Division employee shall inform the other party within five business days of the mediation request. The other party shall either accept or reject the mediation request within ten business days of the request, and so advise the mediation requesting party and the Division employee. If mediation is accepted by both parties or the complaint continues to be unresolved 30 calendar days after receipt, the Division employee shall further investigate and evaluate the dispute, considering both the customer's complaint and the utility's response, their past efforts to resolve the dispute, and try to mediate a resolution between the complainant and the Company. Mediation efforts may continue for 30 days or until the Division employee informs the parties that the Division has determined that mediation is not likely to result in a mutually acceptable resolution, whichever is shorter.

(c) Division Access to Information During Informal Review or Mediation

The Company and the complainant shall provide documents, data or other information requested by the Division, to evaluate the complaint, within five business days of the Division's request, if reasonably possible or as expeditiously as possible if they cannot be provided within five business days.

9. INFORMAL AND FORMAL REVIEW (continued)

(d) Commission Review

If the Company has proposed that the complaint be dismissed from informal review for lack of merit and the Division concurs in the disposition, if either party has rejected mediation or if mediation efforts are unsuccessful and the Division has not been able to assist the parties in reaching a mutually accepted resolution of the informal dispute, or the dispute is otherwise unresolved between the parties, the Division in all cases shall inform the complainant of the right to petition the Commission for a review of the dispute, and shall make available to the complainant a standardized complaint form with instructions approved by the Commission. The Division itself may petition the Commission for review of a dispute in any case which the Division determines appropriate. While a complainant is proceeding with an informal review or mediation by the Division or a Commission review of a dispute, no termination of service shall be permitted, provided any amounts not disputed are paid when due, subject to the Company's right to terminate service pursuant to Utah Administrative Code R 746-200-g (F), Termination of Service Without Notice.

The Commission, upon its own motion or upon petition of any person, may initiate formal or investigative proceedings upon any matter arising out of an informal complaint.

Any residential account holder who claims that the Company has violated any provision of these customer service rules, other Public Service commission rules, or company tariff or other approved company practices may utilize the informal and formal grievance procedures. If deemed appropriate, the Commission may assess a penalty.
