Docket No. 20000-520-EA-17  
Record No.14781

**RE: IN THE MATTER OF THE APPLICATION OF ROCKY MOUNTAIN POWER FOR CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY AND NONTRADITIONAL RATEMAKING FOR WIND AND TRANSMISSION FACILITIES – Compliance Filing (Required Rights-of-Way – Supplemental Filing No. 2 – Request for Approval to Begin Construction for the Aeolus-to-Bridger/Anticline Line; TB Flats I and II Network Upgrades; Ekola Flats Network Upgrades; and Cedar Springs Network Upgrades)**

---

Dear Mr. Petrie:

As outlined in Rocky Mountain Power's ("the Company") March 27, 2019 supplemental compliance filing cover letter, the Company is submitting the final rights-of-way/easements obtained for the construction of the Aeolus-to-Bridger/Anticline 500 kilovolt ("kV") transmission line ("Aeolus-to-Bridger/Anticline Line CPCN") and the transmission network upgrades for the TB Flats I and II wind project ("TB Flats I and II Network Upgrades CPCN"), the Ekola Flats wind project ("Ekola Flats Network Upgrades CPCN") and the Cedar Springs wind project ("Cedar Springs Network Upgrades CPCN").

Attachment 1B includes a complete list and copies of the final required rights-of-way/easements that have been obtained for the Aeolus-to-Bridger/Anticline Line CPCN. Please note that the necessary rights-of-way required for the network upgrades to interconnect the Ekola Flats Wind Project (the "Ekola Flats Network Upgrades CPCN") are included in the Aeolus-to-Bridger/Anticline Line CPCN package, as all interconnection work for that project is included within the new Aeolus substation footprint.

Attachment 2B includes a complete list and copies of the final required rights-of-way/easements that have been obtained for the TB Flats I and II Network Upgrades CPCN.

Attachment 3B includes a complete list and copies of the final required rights-of-way/easements that have been obtained for the Cedar Springs Network Upgrades CPCN.

Wyoming Public Service Commission

April 2, 2019

Page 2

**The required rights-of-way documentation has been submitted and the Company respectfully requests scheduling these CPCN projects to be presented at the April 9, 2019 open meeting date to lift the conditional aspect of the CPCNs to start construction of the respective projects as early as possible.**

Please contact Stacy Splittstoesser, Wyoming Regulatory Affairs Manager at (307) 632-2677 if you have any questions or would like additional information.

Sincerely,

Joelle R. Steward

Vice President, Regulation
