

ROCKY MOUNTAIN POWER

Original Sheet No. 2-1

P.S.C. Wyoming No. 18

Residential Service Schedule 2

Available

In all territory served by the Company in the State of Wyoming.

Applicable

To single-family residential Customers for all electric service for domestic purposes when supplied at one point of delivery.

When a portion of a dwelling is used regularly for business, professional or other gainful purposes and 50 percent or more of the electrical energy supplied to that dwelling is being used for residential purposes, the premises shall be subject to this or other residential rates. If 50 percent or more of the electrical energy supplied to the premises is used for other than residential purposes, the premises will be classified as non-residential and electric service shall be provided under the appropriate non-residential schedule. However, if the wiring is so arranged that the service for residential purposes can be metered separately, this Schedule will be applied to such service.
