## Outdoor Area Lighting Service

### Schedule 15

---

#### Special Conditions

1. Inoperable lights will be repaired as soon as reasonably possible, during regular business hours or as allowed by the Company's operating schedule and requirements, provided the Company receives notification of inoperable lights from the Customer or a member of the public by either notifying Rocky Mountain Power's customer service center (1-888-221-7070) or using the online reporting tool at [www.rockymountainpower.net/streetlights](http://www.rockymountainpower.net/streetlights). Rocky Mountain Power's obligation to repair lights is limited to this tariff.
2. Company reserves the right to contract for the maintenance of lighting service provided hereunder.
3. Temporary disconnection and subsequent reconnection of electrical service requested by the Customer shall be at Customer expense. The Customer may request temporary suspension of power by written notice. During such periods, the monthly rate will be reduced by the Company's estimated average energy costs for the lamp. The facilities may be considered idle and may be removed after 12 months of inactivity.
4. Pole re-painting, when requested by the Customer and not required for safety reasons, shall be done at the Customer's expense using the original pole color.
5. Glare or vandalism shielding, when requested by the Customer and subject to availability, shall be installed at the Customer's expense. In cases of repetitive vandalism, the Company may notify the Customer of the need to install vandal shields at the Customer's expense, or otherwise have the lighting removed.

#### Term of Contract

Company may require the Customer to sign a written contract with a minimum term of three years.

#### Rules

Service under this Schedule is subject to the General Rules contained in the tariff of which this Schedule is a part, and to those prescribed by the Wyoming Public Service Commission.
