

ROCKY MOUNTAIN POWER

Original Sheet No. 59

P.S.C. Wyoming No. 17

Dark Sky Rider - Optional Schedule 59

Available

In all territory served by the Company in the State of Wyoming.

Applicable

To electric service under Schedules 15, 51, 54, and 58. This schedule is offered in compliance with Wyo. Stat. Ann. § 37-16-201 to 202.

Lighting Apparatus

Lighting Apparatus means any shield, cover or other device used with or on a lamp providing service under one of the rate schedules listed in the Applicable section of this tariff designed to minimize light illuminating unintended areas and maintain dark skies. This includes lighting fixtures so designed that the shielding is an integral part of the fixture.

Billing

A customer may request installation of a Lighting Apparatus. The Customer shall be required to pay in full the actual cost of materials and installation prior to installation of the Lighting Apparatus. The cost of installation will include fully loaded costs as determined by the Company.

Installation Charges

Actual cost

Special Conditions

1. Costs for these lighting apparatuses shall not be subsidized by revenue from other Company provided services.
2. Lighting fixtures may be replaced with a non-similar fixture in order to obtain the requested level of shielding.
3. The Customer will fill out a Company work request detailing the lighting apparatus to be shielded and the illumination control desired.

Rules

Service under this Schedule is subject to the General Rules contained in the tariff of which this Schedule is a part, and to those prescribed by the Wyoming Public Service Commission.
