Changes to Wattsmart Business Program in Utah

As part of the Company’s efforts for continual improvement, Rocky Mountain Power is planning changes to the Wattsmart Business program in Utah, effective November 15, 2023. As summarized in the tables below, these changes include adjusting lighting offerings throughout the Program due to state code changes and market conditions. **Any incentive amounts for current Program offerings that are not mentioned in the tables below will remain unchanged.** Existing incentive terms and conditions still apply. If you have questions or need additional information, please call toll-free 1-888-225-2611 or [email us](#).
