

LIGHTING INSTANT INCENTIVES *approved distributors*

Lighting instant incentives make the investment in this technology easy, and we're covering up to 70 percent of the cost to purchase qualifying LED lamps. Instant incentives are available for select, easy-to-install LEDs that fit in many existing light fixtures. Speak to your lighting distributor about the right kind of lamps for your fixtures.

Below is a list of approved lighting distributors that can assist you through the LED selection, incentive and purchase process. Please visit wattsmart.com for more information.
