WATTSMART PREMIUM BUSINESS LIGHTING VENDORS – UTAH

Summer 2022

The Wattsmart® Business Vendor Network is a resource for Rocky Mountain Power customers to find qualified and knowledgeable vendors to help with their energy efficiency projects. Vendors on our list meet Network requirements such as holding appropriate licenses and insurance, having knowledge of lighting technology and the Wattsmart Business program and having good business references.

The following vendors earned Premium Vendor status based on their top performance in the Network:

DiVi Energy, LLC

We update the list of Premium Vendors bi-annually based on the previous 12 months of Wattsmart Business participation. Top performing vendors are selected based on:

- Program participation
- Project quality
- Application submission quality
- Industry training
- Customer and program feedback
