Changes to Wattsmart Business Program in Wyoming

As part of the Company’s efforts for continual improvement, Rocky Mountain Power is planning changes to the Wattsmart Homes program in Wyoming, effective March 15, 2023. As summarized in the tables below, these changes include adjusting, discontinuing, and adding offerings throughout the Program due to increased federal standards and market conditions. **Any incentive amounts for current Program offerings that are not mentioned in the tables below will remain unchanged.** Existing incentive terms and conditions still apply. If you have questions or need additional information, please call toll-free 1-888-225-2611 or [email us](#).
