Changes to Wattsmart Homes Program in Wyoming

As part of the Company’s efforts for continual improvement, Rocky Mountain Power is planning changes to the Wattsmart Homes program in Wyoming, effective August 23, 2021. These changes include modifications to the Residential measures summarized in the tables below. **Any incentive amounts for current offerings that are not mentioned in the tables below will remain unchanged.** Existing incentive terms and conditions still apply. If you have questions or need more information, please [contact us](#).
